MISSION

At CGS we strive to provide an academic setting where each student's skills and character can flourish to the fullest by encouraging meaningful connections between the classroom and real life experiences. CGS students and educators work in an environment of ongoing inquiry, collaboration and mutual respect as they acquire a high caliber education and positive life attitudes to make a contribution to the world they live in.

CURRICULUM

CGS is authorized to offer three International Baccalaureate programmes, ranging from the pre-school to the secondary level. At the secondary level, students follow the Greek National Curriculum delivered through the IB Middle Years Programme (IB MYP) and receive the qualification, "Apolytirio Gymnasiou". After Grade 10 (IB MYP5) students decide whether they will follow the National Curriculum of Senior High School ("Eniaio Lykeiou") leading to the high school diploma "Apolytiro Genikou Lykeiou" or undertake the International Baccalaureate Diploma Programme (IB DP), leading to the IB Diploma.
