

CGS

School Community

Established in 1973 and governed by a Board of Directors, CGS is one of Greece's oldest and most prestigious private schools, providing educational programs from the pre-school to the secondary school level.

Located in Pallini, a northern suburb of Athens on a 67,000 m² campus, CGS has a student population of 2004.

The student body is comprised primarily of Greek nationals but there is an emerging international and bi-cultural student population from North America, Europe and Asia including the UK, USA, Canada, China, Italy, Finland, Cyprus, Sweden, The Netherlands, Russia, Australia, South Africa, Argentina, Mexico, France and Switzerland.

Mission

At CGS we strive to provide an academic setting where each student's skills and character can flourish to the fullest by encouraging meaningful connections between the classroom and real life experiences.

CGS students and educators work in an environment of ongoing inquiry, collaboration and mutual respect as they acquire a high caliber education and positive life attitudes to make a contribution to the world they live in.

Curricula

CGS is authorized to offer three International Baccalaureate programs, from pre-school to the secondary school level.
